

*Deluxe Indulgence  
 ... in our Oceanfront Villas*

**Dream a little dream of Seychelles.**

**Live at your own pace, as effortlessly as the waves that gently roll to the shore of Seychelles.**

Come to our romantic, secluded hideaway in one of the world's most enchanting locations, where hustle and bustle are unheard of. We live at our own pace here, as effortlessly as the waves that gently roll to shore.

Our Deluxe Oceanfront Villas, nestled amongst the hillsides and beach coves of Beau Vallon Bay, are sensitively placed to give you every privacy. Each is raised on stilts so you can drink in uninterrupted views of the impossibly blue ocean while you recline on your balcony daybed.

As soon as you arrive, the understated luxury of your private villa helps you to unwind and indulge your senses. Soothing music plays gently in the background, while the canopied four-poster bed invites you to relax, breathing in your choice of incense that fragrances the fresh sea breeze - exotic Frangipani, invigorating Citronella, uplifting Hibiscus.

Retreat for some barefoot luxury with your loved one and stay in one of our Deluxe Oceanfront Villas to receive an indulgent experience with our compliments...
